Your Account:

Your practice has been registered with Apex Laboratory. The information listed above has been sent to us either by a home health agency or by an order sent directly from your office.

Note: Online accounts are automatically generated during account registration and only you have access to your account.

Who We Are:

Apex Laboratory, Inc. provides home visit laboratory services for patients who are unable to independently transport themselves to and from the laboratory and/or physicians office for routine lab work. Patients and their family members no longer have to worry about finding transportation or struggling to make an appointment for a simple lab test.

Insurance:

Apex accepts Medicare and a variety of other insurance plans. There is no cost to the patient or your practice. Medicare payments are accepted in full for laboratory testing and travel expenses for homebound patients.

Patients **do not** need to be active with a home health agency to be eligible for Apex's services.
